

The True Test

Tried in Barre, It Has Stood the Test.

The hardest test is the test of time, and Doan's Kidney Pills have stood it well in Barre. Kidney sufferers can hardly ask for stronger proof than the following:

Mrs. Margaret Reid, 40 Maple avenue, Barre, Vt., says: "I gave a public statement in favor of Doan's Kidney Pills in 1905, and I am glad to confirm it at this time for the benefit of all persons who suffer from kidney trouble. For more than three years I was bothered off and on by backaches, and at night I suffered so intensely that I could not sleep. During damp weather I was always worse and, although I wore plaster, I obtained only temporary relief. When Doan's Kidney Pills were recommended to me, I procured a box at E. A. Brown's drug store. They helped me in a short time, and I continued taking them until the pain in my back was entirely relieved. Doan's Kidney Pills benefited me in every way, and I have had little or no trouble from my kidneys since."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

To Clean Linoleum.

A household economics authority says: In caring for linoleum do not use soap-suds as for scrubbing a floor. It stands to reason that soap is going to injure the varnish and the finish. On a floor where there is plenty of milk, a cloth wrung out of clean milk is the best means of taking up the dirt and brightening the linoleum. Where milk is scarce or needed for food use lukewarm water, to which had been added half a pound of kerosene oil or some good furniture polish. Wring the cloth tight and use it as before. It will be quite new and bright and the finish unimpaired.
